## UNEMPLOYMENT

Suburb	Sept 06 (%)	Sept 05 (%)
Kingston	16.5%	14.6%
Loganlea	11.1%	9.1%
Marsden	9.5%	8.1%
Shailer Park	2.2%	2.1%
Woodridge	16.5%	14.5%

LOGAN has gone against the state and nationwide trend, recording a rise in unemployment figures across the city. The worst figures were recorded in the suburbs of Kingston and Woodridge. But it isn't all bad news. Underwood's Bill Bryce, 54, maintains there is work out there if you are prepared to knuckle down and make an effort - and he should know. He recently found work after completing three years of study at Logan TAFE.
